2nd November 2017

Dear Parents/Carers,

Outside Play Equipment

The children all love the new playground equipment on the KS1 Playground, which, they take turns to play on at break times.

Currently, the Reception children only use the Adventure Trail, however following a full Health and Safety Risk assessment it has been decided that the Reception children will also be able to use the Clamber Stack.

Mrs Rowley and Miss Harris will spend some time to ensure the children are comfortable with the equipment and know how to use it safely before they begin to use it at break times.

We feel that this will greatly aid the children in their movement and co-ordination, which is an important part of the Early Years Foundation Stage learning goals, as well as improved social skills of assisting each other and taking turns.

We will of course, continue to monitor the situation to ensure the safety of all children.

Yours Sincerely

Claire Jones
