

Dear Parent/Guardian,

Coleham Primary School are raising money for new musical instruments to strengthen our school's music department, providing more resources and opportunities for our children. On December the 18th, we will be having a fundraising day where the Year 6 children are going to be taking part in a sponsored 'UKULELE-THON'. They will see if they can play the ukulele consecutively for six hours of the school day! If possible, we would love to have your support, encouragement and sponsorship for your child having a go. A little contribution will go a long way for our music department and we would be extremely appreciative.

If you would like to sponsor your child, please complete the attached form alongside your sponsorship money and return it to the school office in a sealed envelope by **Monday 11th of December 2017**.

Thank you very much for your time and support,

Best wishes,

Miss. Saunders, Year 1 (Music co-ordinator)
