Friday 5th January 2018

Dear parents/carers,

You may have noticed from the previous letter dated 4th January 2018 that the school is due to appoint a new catering provider to start 1st April 2018.

Lots of exciting developments to the lunch service will be taking place so I feel it is beneficial to delay the parent's lunch invitation to the Summer term so that you can experience the new offering.

We appreciate that school meals are a new experience for reception children and can cause some children to worry. Therefore Miss Harris, the Business Manager, Kitchen staff and I are in regular communication regarding RX and RY children. We will of course explain and settle children in to any new developments going forward. We are really pleased because the children have all made an exceptional start to the lunch routine and are happy in the dining hall.

Please keep an eye out, for more news updates regarding school meals and do not hesitate to see myself or Miss Harris should you have any specific concerns.

Yours sincerely,

Mrs Rowley
EYFS Leader
