

Pastoral Newsletter February 2018

Welcome to the first Pastoral Care Team newsletter. We would like to take this opportunity to introduce ourselves. The Pastoral team is made up of Mrs Nash and Miss Mills. Mrs Nash has worked at Coleham School since 2012 and is now the Pastoral Leader. Miss Mills has been with us since 2013 and is our Learning Mentor.

What is Pastoral Care?

Our new look pastoral care team is made up of 2 highly trained Learning Mentors who work with children and their families to overcome any barriers to learning. We have an office which can be found in the top corridor, next to 4Y's classroom- this is a designated area where discussions can be held quietly and confidentially. Children are aware that they can approach either of us at any time, with any issues that they may have- no matter how **BIG** or small. At Coleham we are very lucky to have a calm, relaxing nurture room where we spend time with the children.

What do we do?

There are lots of reasons that we work with children, sometimes it will be to help them through bereavement, anxiety, family breakups, friendships and much more. If you feel that your child would benefit from Pastoral Care Support please do not hesitate to get in contact with either member of the team. We will be happy to make an appointment for you to come and see us at a time that is suitable for you. We will be at school on Wed 7th March during parents evening to introduce an exciting new opportunity, coming soon, for you to join us and learn about your child's emotions and behaviour.
