1st March 2018

Dear Parents/Carers,

SCHOOL CLOSURE

Having looked carefully at the weather outside and the weather forecast overnight and through to tomorrow morning, I have decided to close Coleham Primary School tomorrow (Friday 2nd March). I have not taken this decision lightly, however given that local roads are already treacherous and the situation is set to worsen overnight, I feel that this is a prudent decision.

I apologise for any inconvenience that this may cause, however I feel that it is in the best interests of children, staff and parents to remain closed tomorrow to prevent members of the school community having to navigate these difficult conditions. I do not make such decisions lightly and wish to remain open wherever we can. However, on this occasion, it is not possible.

I very much hope to re-open the school on Monday and will keep all parents updated via our school website (the News section) and we will also contact parents via email. School closures are also listed on the Shropshire Council website.

Once again, my apologies for the inconvenience that this closure will no doubt cause and thank you very much for your continued support.

Kind regards,

Claire Jones
