Newsletter

Dear Parents/Carers,

School has been extremely busy over the last two weeks, with Year 2 and Year 6 sitting their SATs tests. As always, this was a very “low key” event for the Year 2 children, however they all worked extremely hard. The Year 6 children have worked incredibly hard this week and have now completed their tests. We will let you know how the children got on in their end of year reports in July.

We would like to invite all parents into school on **Monday 25th June** (anytime between 3:30—5pm) to meet your child’s class teacher for next year. The event is very informal and provides a good opportunity for parents to meet their child’s new teacher. A separate letter will be sent out to all parents after half term giving details about which teachers will be teaching which classes next year.

There are lots of important diary dates to note for after half term, including sports day, the school production and class assembly dates. Further details will follow about many of the scheduled events but please do make a note of them ahead of time. Please remember that Friday 25th May is a PD day and so school will be closed to all children.

Kind regards,

Claire Jones (Headteacher)

Reminders

Please remember that we are a **nut/sesame free** school. Please think very carefully about what you pack in your child’s lunchbox as there are children in school who have severe allergies, which is why such products are not allowed. If you would like to update your child’s medical information, please contact Mrs Davies, our Health Co-ordinator (davies.j@colehamprimary.co.uk).

Data collection sheets have been sent home to children in Reception Year to Year 5 this week in sealed envelopes. Please update your details, if necessary, then sign and send them back the class teacher along with the annual consent form. Please send back the data collection sheets even if your contact details have not changed.

Coleham’s Plant and Craft Fair

Thank you to everyone who came along to our Plant and Craft Fair on 30th April. It was really well attended and thoroughly enjoyed by all. A huge thank you to all of the FOCS committee for organising the event and well done to all of the children who entered the various competitions—the standard was very high this year and the judges were very impressed.

The next FOCS event is the Summer Fair on June 30th. Please come along. It promises to be another excellent event.

3X's Egyptian Museum

On Thursday 26th April, 3X's classroom was turned into an Egyptian Museum displaying the artefacts and projects the children had made at home. The children organised advertisements, tickets, programmes and souvenirs. There was (strict) security on the door, an opportunity to be mummified and refreshments! Thank you so much to all the classes and staff who visited! Also, well done to 3X for your brilliant work and great organisational skills! You were all 'Hero-glyphics'!

Year 5 and our Sikh workshop

Thank you to both Year 5 classes for organising their recent class assemblies. They were both extremely enjoyable. Well done to everyone involved!

Also, thanks to Miss Harris for organising the recent Sikh workshop. It was extremely hands on and the children learnt a great deal.

This afternoon, Year 3 will be staging their own royal party. They have made their own cakes, invitations and even their own royal plates! We hope to see as many parents as possible—please pop along from 2:45pm onwards.

Dates for your diaries

Fri 25th May	PD day—school closed to children
Mon 4th June	Return to school
Monday 4th June	Year 6 to Crucial Crew
Tuesday 5th to Thursday 7th June	Year 6 Bikeability training
