13th July 2018

Dear Parents/Carers,

This week, we received our Year 6 SATs results, following on from the statutory tests, which were taken by our Year 6 children in May.

I am delighted to announce that our Year 6 children have exceeded the national average in every subjects for children attaining the expected standard by a considerable margin. Here are the results:

Subject	% of pupils achieving the expected standard: Coleham (2018)	% of pupils achieving the expected standard nationally (2018)
Maths	85%	76%
Reading	85%	75%
Grammar, punctuation, spelling	88%	78%
Writing	90%	78%

These results reflect how hard all our children in Year 6 have worked. They have shown tremendous determination and dedication.

In addition, our Year 2 children were also assessed in May using a mixture of teacher assessments and tests, produced by the government. We are very pleased with this data and have compared it to 2017 national averages. Here are the results:

Subject	% of pupils achieving the expected standard: Coleham (2018)	% of pupils achieving the expected standard nationally (2017) ¹
English reading	78%	76%
English writing	79%	68%
Mathematics	84%	75%
Science	81%	83%

¹ Data showing the attainment of pupils in the 2017 key stage 1 national curriculum teacher assessments: www.gov.uk/government/statistics/phonics-screening-check-and-key-stage-1-assessments-england-2017

The Year 1 children in school were also required to take a statutory phonics screening check test in June. I am delighted to announce that 98% of our children attained the expected standard, compared to 95% of children last year. We are very proud of all of the children in Year 1.

Finally, our reception children have all made super progress this year, with 72% of the group achieving Good Level of Development, which is in line with the national average in 2017 of 71%. Well done to all of our reception children and to the EYFS team.

All of our teachers and support staff at Coleham work tremendously hard and I would like to thank them all for their hard work and dedication. The teachers have worked tirelessly to ensure that the children felt fully prepared for the tests/assessments, whilst not stressed or worried. They have all done a marvellous job, as have all of the teachers and support staff in school this year.

I hope that you feel as pleased as we do with the results, which reflect how hard our children have worked this year.

Yours sincerely,

Claire Jones
Headteacher
