Dear Parents / Carers,

As you know, Ofsted visited Coleham School for a monitoring visit in the last week before the half-term break. I am pleased to be able to attach the inspection's findings in a letter from Ofsted, which is very positive.

We are happy that the inspectors took the time to take note of all the extra work we do with the children regarding their PSHE, welfare and well-being, which is very important to us as a school. We are also pleased that they took the time to speak to many of you, the staff and the children; and that they also looked thoroughly through all our documentation regarding safeguarding and behaviour to make their judgements.

The inspectors have asked us to thank all of you who took the time to speak to them as they found your information invaluable; we are also very grateful.

Yours sincerely,

Claire Jones
