

Year 5 Bulletin

Autumn Term 2019

**Class Teachers Ms Evans and Mrs Allan
Teaching Assistant Mrs Lord, Mrs Stewart
Upper KS2 Leader Mr Edwards**

Our Topic

Our topic will be 'Ancient Greece'. Amongst other things, we will explore where they came from, how they lived and the Greek gods.

Reading Books

Children will continue to bring home a school reading book to read at home. However, we are happy for your child to read an age appropriate book from home. Please encourage your child to read every day. This could consist of: them reading to you, independent reading or enjoying a story together. Please record this in the new Reading Record format. Reading Records will be checked on a weekly basis. Reading for Pleasure is a big focus in school and will help the children achieve in so many other areas.

Music Tuition

Mrs Porritt, from Shropshire Music Service, will continue to teach the class music on Tuesday afternoons.

PE Day

Full PE kits should be in school on Tuesdays and Wednesdays. Please ensure the kit is appropriate. We will be swimming in the first half term on Wednesdays.

Support at Home

We would appreciate your support with reading. There will no longer be weekly spellings to learn at home but at times, your child may have some specific words to revise. Please do check reading records for any other individual comments.

Please help your child with their knowledge of the times tables. We cannot stress how important these are as they help in all aspects of maths.

School Trip

We are looking into a trip that links to the topics for this term. A letter will be sent out in due course.

Science

Our science topics are going to be: materials and their changing states. We will also continue our Relationship Sex Education (RSE) learning which links in with Animals including humans.

Contact Us

If you would like to talk to us about your child please catch us at the end of the school day. If you need to contact us earlier than this, please contact the school office.

A message from Ms Evans and Mrs Allan

We would like to welcome you and your child to Year 5. We aim to make the curriculum as creative as possible, enabling the children to succeed in their personal targets and enjoy their time in Year 5. We look forward to meeting you again on the Open Classroom (16/09/19).
