

# **Nut & Sesame Seed Allergies at Coleham School**

Coleham School is a nut and sesame seed free environment.

Catering Academy recognises that these products can cause severe reactions for customers, so we undertake not to knowingly use these products or foods which may contain these products and that are listed on the product ingredient information.

## **Other Allergies**

Catering Academy aims to notify all our customers of any menu items or products that may contain allergens\*.

If you suffer from an allergy to certain ingredients, then please ask the Catering Manager or member of Catering Staff for a description of the menu item ingredients or product ingredients before purchasing and consuming that product.

### **Team Academy Manager**

\* Whilst Catering Academy takes all reasonable precautions to reduce the likelihood of allergens being present in menu items and products, this cannot be guaranteed due to factors outside of Catering Academy's control.
