Consent Form 2023/24

We need your permission for certain aspects of your child's education. These permissions run for the duration of your child's schooling unless you choose to opt out at any point.

I consent for my child to access the internet and other ICT facilities at school.

I accept that ultimately, the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep students safe and to prevent them from accessing inappropriate materials. These steps include the school using a filtered internet service, providing secure access to email, employing appropriate teaching practice and teaching e-safety skills to students, across the curriculum.

I understand that the school can monitor my child's computer files and the Internet sites they visit. I also understand that the school may contact me if there are concerns about my child's online behaviour or safety. I will support the school by promoting safe use of the internet and digital technology at home, and will inform the school if I have any concerns about my child's e-safety.

Please delete as applicable.

YES NO

I consent for my child to participate in collective acts of worship.

(Coleham Primary School is a community School. Whilst we are not a church school, it is a legal requirement for schools to provide daily acts of worship, which is broadly Christian. Coleham Primary School supports this in a variety of ways: enhancing children's spiritual, moral, social and cultural awareness through self-reflection, thinking about one's character, actions and beliefs. Admiration for principles including compassion, empathy or spiritual richness of historical figures. Reflection focusing on community cohesion, the awe and wonder of life and beauty of the natural world, links to citizenship including Diversity Week, Anti-Bullying Week, Remembrance Sunday etc. Using art, music and film to prompt reflection on a variety of issues, moments of silence, song or appreciation of visual arts that allows pupils to participate actively or passively)
