

Year 5 Bulletin

Summer Term 2023

A message from the Year 5 Team

Welcome back! We hope you all enjoyed a lovely Easter break and are refreshed, ready for a new term. This term we are looking forward to getting outside a bit more as we take part in Woodland Work sessions. As we enjoy our final term of year 5 we will be preparing ourselves for year 6 when we will become role models to the rest of the school.

Woodland Work

In the first half term, Lions Class will be doing Woodland work on a Tuesday afternoon.

Leopards Class will be doing Woodland Work after half term.

Please ensure you have waterproof clothing and wellies in school for these sessions.

Reading

Please remember to bring in Reading Diaries every day and take them home each night. Your child is encouraged to read a variety of books and genres throughout the year. If there is an appropriate book from home that your child wishes to read, then this is also encouraged. Please read with your child as often as possible and log this into their reading record. You or your child may write in the reading record when they have read with you or independently.

We will encourage your child to note and look up any new words and use them in their own writing. Children will be asked to hand in their records every week to be checked.

Your child will receive a dojo point for each home read!
