

Fun Science After School Programme

Dear Parent/Guardian

Due to high demand I am delighted to inform you that Fun Science will once again be coming to Coleham Primary school to run a science themed after school club.

The club will run for an hour a week straight after school for **7 weeks from Wednesday 11th September 2024**, which will be filled with action packed, hands on science.

The cost for the 7 week programme is **£49.00** and most weeks children will either make or be given something to take home with them so that the investigation can continue at home.

If you would like your child/children to attend the club, you can reserve places online and also make the relevant payment by using this link:

[Coleham Sep](#)

I look forward to welcoming your child/children to this exciting club.
