## Best News of the Week!

Yesterday, the year 4s took a coach to PGL (Parents Get Lost) for their residential trip. They had to be at school at 08:00 AM! They will arrive back today and will probably be very tired. The year will be split into groups of 4-5 for sleeping and will probably be in groups of 10 for activities. They are doing the high swing and the high ropes. Lucky!

## Sport News

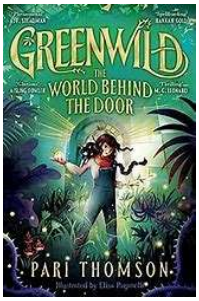

Last Friday, some year 3s went on a hockey tournament at Shrewsbury Sports Village. They were split into 2 teams: Coleham A and Coleham B. Coleham A won their first game 2-0 and came 3rd overall. Despite their best efforts, Coleham B unfortunately lost all their matches but played with a strong defence and superb attitude. Well done, Coleham!
