

Year 1 Maths Yearly Overview

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	<u>Place Value (within 10)</u> Sorting and counting objects Recognising numbers as words Counting forwards and backwards from a number Comparing groups by matching Comparing numbers Ordering numbers Number lines					<u>Addition and Subtraction (within 10)</u> Introducing parts and wholes Number bonds within 10 Number bonds to 10 Addition Addition problems Subtraction – finding a part Subtraction – taking away Subtraction on a number line				<u>Assessment week</u>	<u>Geometry (shape)</u> Recognise, name and sort 2D shapes Recognise, name and sort 3D shapes Patterns within shapes	
Spring	<u>Place Value (within 20)</u> Counting within 20 Understanding numbers to 20 1 more and 1 less Using a number line to 20 Estimate on a number line to 20 Compare and order numbers to 20			<u>Addition and Subtraction (within 20)</u> Counting/adding 1 within 20 Number bonds to 20 Doubles/near doubles Subtracting using number bonds Finding the difference Missing number problems			<u>Place Value (within 50)</u> Counting from 20 to 50 Groups of tens / groups of ones Partitioning tens and ones Number line to 50 Estimate on a number line to 50		<u>Measurement (length and height)</u> Compare lengths/heights Measure using objects Measure using length (cm)		<u>Assessment week</u>	<u>Measurement (mass and volume)</u> Measure/compare mass Full and empty Compare volume Measure/compare capacity
Summer	<u>Multiplication and Division</u> Count in 2s, 10ds, 5s Recognise/add equal groups Make arrays/doubles Make and share equal groups		<u>Fractions</u> Recognise and find half an object Recognise half a quantity Recognise and find a quarter of an object Recognise a quarter of a quantity		<u>Geometry (position and direction)</u> Describe turns Describe positions	<u>Place value (within 100)</u> Counting to 100 Partitioning tens and ones Number line to 100 Comparing numbers to 100		<u>Measurement (money)</u> Unitising Recognising coins and notes Counting coins	<u>Measurement (time)</u> Before and after Days and months Hours, minutes, seconds Tell time to the hour and half hour.		<u>Assessment week</u>	<u>Consolidation</u>
